RENOVATION SALE

Commencing around January 17 we will be considerably re-vamping the shop to give it a look more in keeping with the needs of the current market. So we have to clear out some inventory to make way for our renovation work. **To accomplish this we are offering as of December 11 - January 15 No PST or GST on all antiques and no GST on books. There will also be considerable discounts offered on some selected antiques and books.** All in all, a good time to visit us at Hampshire Antiques. For your shopping convenience in addition to our regular hours we will be open Sunday December 19 from 1.30 until 5 pm and on Monday December 20.

This is the second of our online Newsletters. As it is the December issue we are featuring photographs of a selection of new stock to give you some Christmas ideas for that favourite collector in your life.

We plan to make the Online Newsletter a regular monthly feature highlighting the constant flow of antiques and art which comes through the shop. Look for the next issue in early next year.

From all of us at Hampshire Antiques Ltd. we wish you very Happy Holidays and hope that the New Year brings you health and happiness.
