## WE'VE MOVED!

We are now nicely settled in at our new spacious premises on the Mezzanine Floor of the Greenhawk Building at 1622 West 75<sup>th</sup> Avenue. Very easy to get to if you take the Barnard Street light of Marine Drive or the S.W. Marine Drive exit off Granville Street just before the airport bridge. Just look for the huge green Greenhawk sign to see where we are. There are literally scores of free parking spaces along the street in front of the building making a visit to this building one of the easiest spots to park in the whole of Vancouver. What a difference this makes! We are always here every Saturday from 11-5 and by appointment any time from Monday to Friday.

As you can see from the photographs we have much more stock on display than at the old Granville Street store and, because of the much more extra space, things can be seen better and we're not bumping into each other all the time like we were in our old cramped quarters.

Plans are in the works for an open house on a weekend later in the spring – stay tuned for more details.
