COLLECTOR'S NEWS

SUMMER 2011

The calendar says it is supposed to be midsummer with the proverbial hot, lazy days. However the weather outside tells a totally different tale. The cold, wet, windy weather is more reminiscent of early fall. As this means, at the moment, we're spending more time inside than out, it seemed a good idea to slot in an extra Collector's News especially as we have just acquired some very interesting Chinese antiques.

致親愛的顧客，每周五我們提供中文翻譯助理為您服務，本店亦有大量歐洲古董、繪畫展示販售。詳情請參閱我們的網站：<http://www.hampshireantiques.com/>
